2026/2027 Registration Process

BRICKS Early Learning Center has transitioned the registration process into a **LOTTERY** based system due to our extensive waiting list. Below you will find each step of our new process and what you should expect as a possible incoming family. Prior to acceptance, each child and family must follow each step of our registration process.

Your child will not be considered registered unless ALL steps are completed.

- **STEP 1: REQUIRED FORMS -** Our BRICKS Administration will call families from our waitlist to bring in the following documents. Each family will be given a time frame to submit these forms.
    - Completed Registration Packet
    - Signed Tuition Calendar
    - Signed Parent Affidavit from our Parent Handbook
- **STEP 2: FAMILY INTERVIEW -** The interview will consist of at least one parent and the child they would like to enroll. *The family interview consists of the following:*
    - Parent questionnaire
    - Permission slip form signed to initiate child interview.
    - Child interview with BRICKS staff member
- **STEP 3: LOTTERY PROCESS –** Once the lottery has been completed, each family will receive an email informing the family whether their child has moved forward to the registration process or not. If your child is not selected, they will remain on our waiting list for our next draw if interested.
- **STEP 4: REGISTRATION –** Each family selected from our lottery will be given a strict deadline to submit all required documents and registration fee. If the family does not follow the deadline given, they will lose their spot for the 2026 – 2027 school year. There will be no exceptions.
